

The Washington Daffodil Society

I invite you to join the Washington Daffodil Society. Our membership year is from January 1 - December 31.

We have many exciting things to offer:

- First is our Daffodil Bulb Order list - extensive research is done to find and provide quality bulbs at great prices - often discounted. You can get bulbs from US, UK, New Zealand, Ireland and other countries without the hassle of the monetary exchange and importation regulations.
- Our WDS Newsletter, which you receive 3 times a year, keeps you informed of events, shows, as well as cultural and exhibiting knowledge and current information up-dates.
- The Summer Picnic and Plant Exchange and the fabulous Fall Bulb Exchange meetings offer new plants and free bulbs to those attending. Perhaps you may get the next years Gold Ribbon Winner!
- The Spring luncheon is a great opportunity to escape the winter doldrums, renew acquaintances, and hear interesting speakers.
- Best of all you make New Friendships. You will meet with some of the "best" gardening friends and you know gardeners love to share knowledge and plants!

We hope you will become a member.

Washington Daffodil Society Membership Form

Date: _____
