

WASHINGTON DAFFODIL SOCIETY

BULB ORDER - 2021

ORDER DEADLINE - MAY 1, 2021

Dear WDS Members,

Welcome to the Washington Daffodil Society bulb order for 2021. Again this year our focus is to offer top quality bulbs from overseas and here in the colonies.

WE ENCOURAGE YOU TO VIEW EACH OFFERING YOU ARE CONSIDERING ON DAFFSEEK.

The bulbs on our list are of show quality and most should thrive in your garden landscapes as well. Some are show-quality bulbs that have not been readily available recently. Others are new and highly recommended.

Explanation of classification and color coding: the number is one of 13 Royal Horticulture Society divisions -- 1 is trumpet, 2 is large cup, etc. The letters indicate color; perianth color follows the division number, and the cup color beginning at the eye is shown after the hyphen. (Y = yellow, W=White, G = green, O = orange, P = pink, R = red.) The name of the originator and date of registration follow. Blooming time is signified as E = early, M = mid-season, and L = late.

HERE ARE THE BUY-LAWS

- Prices are for each bulb or collection, unless otherwise stated.
- ALL BULBS ARE OFFERED SUBJECT TO CROP VARIATIONS.
- Most importantly, a **May 1st deadline** must be adhered to. Any later and we risk that our suppliers will have sold out of some of the choice bulbs.
- For “limited supply offerings”, *we will not reserve bulbs.* They will be given to completed orders in order of receipt. Once supplies run out, refunds or substitutes will be given as designated on the bulb order.
- Bulb pick up and bulb exchange will be on **Saturday, October 30th. You will be notified of the venue.** Don't miss the live auctions and amazing bulb picks!
- If you plan to attend the WDS meeting, your bulbs will be available there so please DO NOT ADD POSTAGE. If you place your order through one of our valued garden club

memberships, all bulbs must be sent to one address (Exception: If you are a WDS individual members as well, this does not apply).

- We're sorry but we cannot deliver your bulbs to other meetings.
 - **Shipping within a 60 mile radius is discouraged. Please plan to attend the Fall meeting.**
 - SEE ORDER FORM FOR SHIPPING RATES AND MANDATORY INSURANCE
 - Mail order bulbs will be shipped out the first week of November at the latest. We acknowledge that this is somewhat late, but bulbs shipped by our European vendors are routinely delayed by customs and agricultural holds.

Happy planting, growing & showing!
